Annotated Code of Maryland, Natural Resources Article, §4-701(k)(7) allows the licensee to designate an individual that may use the licensee's vessel and license. The individual indicated may be changed once in the license year. The licensee is legally responsible for all activities performed by the individual whom they have designated. Indicate the individual and their DNRid number in the appropriate box on the front of this application.

DESIGNATING A BENEFICIARY

A licensee may designate a person (does not need to be a family member) as a beneficiary of the license by indicating their name and DNRid on the front of this application. If the beneficiary holds the same license type, they will have to transfer their license in order to accept the license of the deceased. Upon licensee's death, if no beneficiary is named, an authorized representative (Letter of Administration required) may indicate a person eligible for a permanent business transfer regardless of the number of seasons the deceased held a valid tidal fish license.
